# March events!

In March, we're celebrating the project's anniversary. Throughout the month, you'll see special birthday activities alongside the usual events, including extra contests and surprises.

🏆 **Champion Season's updates:** In March, you'll see slightly improved rewards with new and relevant resources to support your Heroes' growth.

🗓️ Daily Login Rewards: We've boosted the daily login rewards for the celebration. You'll be able to receive new resources such as Adventure Chests and Valor Coins for upcoming big event, while familiar rewards like Emeralds and Soul Stones will be granted in increased amounts.

🎨 **Creative Contest:** In addition to the regular activities, a creative contest will take place in March. We'll share more details soon.

⚠️ Please note that some regular event announcements may be skipped this month. Don't worry, all the Energy you're used to receiving will still be carefully redistributed across other March publications.

Guardians, join the March celebration and stay tuned. There's a lot ahead!
